

3 Winter Treatments Your Trees Need **NOW**

PRUNE THESE TREES

Fruit Trees

Elms

Oaks

These trees **MUST** be pruned before spring to prevent the spread of diseases!

SOIL REPAIR

Winter de-icing salts can kill
your trees!

Get a Salt Buffer treatment
to fix your salty soil!

DORMANT OILS

Stop insects
BEFORE they
hatch with a
Dormant Oil
spray treatment!

Talk to your Arborist today -
Before it's too late!
